BLACK:

1 ANIMATION SEQUENCE (NOTE: STILL TRYING STUFF!) 1

"Love is simply the name for the desire and pursuit of the whole." - Plato, The Symposium

A BLANK SHEET OF PARCHMENT.

ELLIE (V.O.)

The Ancient Greeks believed humans once had four arms, four legs, and a single head made of two faces.

GRAVEL emerges from the center of the page and "crushes" into BLACK POWDER which forms the base for CHARCOAL STROKES. Animated STROKES illustrate a TWIN-BEING.

ELLIE (V.O.)

We were happy. Complete.

A CHARCOAL HEART encircles the twin-being. Both faces smile.

ELLIE (V.O.)

So complete that the gods - fearing our wholeness would quell our need for worship - cleaved us in two...

The page TEARS in half; the Twin-Being is SPLIT!

ELLIE (V.O.)

...leaving our split-selves to wander the earth in misery, forever longing...

ZOOM IN on one of the halves as it wanders the earth CRYING. The strokes of its body morph into a lonely CAVE PAINTING FIGURE, also crying.

ELLIE (V.O.)

...longing...

Morph into the "Mona Lisa"...crying. "The Scream"... crying.

ELLIE (V.O.)

...longing...

Morph into a classic black and white movie with a closeup of an actress, you guessed it: crying.

ELLIE (V.O.)
...for the other half of our soul.

From cave paintings to Ingrid Bergman. So many tears.

ELLIE (V.O.)
It is said that when one half finds
its other...

Pull out to reveal: the reverse shot to that classic movie!
Lover's eyes meet! Each reverts back to their split-being.

ELLIE (V.O.)
...there is an unspoken
understanding, a unity - and each
would know no greater joy than
this.

A classic KISS. Music SWELLS as the charcoal halves converge
into a BIG ANIMATED CHARCOAL HEART...

MATCH DISSOLVE TO:

2 INT. SQUAHAMISH HIGH SCHOOL - LOCKERS - MORNING

2

A CRAPPY GRAFFITI HEART on a high school wall.

Two seniors joined as one by the lips.

ELLIE (V.O.)
Of course, the Ancient Greeks never
went to high school.

BELL RINGS. The seniors break apart like it was nothing.

SENIOR GUY
Good hangout.

SENIOR GIRL
Whatever.

Both pull out phones, part ways.

ELLIE (V.O.)
Or they'd realize...

Sound of the MORNING BELL dissolves into...

3 EXT. SQUAHAMISH TRAIN DEPOT - ENGINEER BOOTH - NEXT DAY 3

...the BLAST of a TRAIN WHISTLE... growing LOUDER...

CLOSE ON the FACE OF A GIRL, 17, pressed against a LAPTOP KEYBOARD, her body curled around a copy of PLATO'S SYMPOSIUM, fast asleep inside a frosted TICKET BOOTH. She jerks awake.

ELLIE

Crap.

This is ELLIE CHU.

She bolts out of the booth.

On her computer screen we see (and hear in voiceover):

ELLIE (V.O.)

We don't need the gods to mess things up for us.

A PASSING TRAIN wipes frame...

4 EXT. SQUAHAMISH TRAIN DEPOT - MOMENTS LATER 4

...leaving Ellie on the LEFT SIDE of the platform, her back to us, holding a signal light.

On the right, SUPER: "THE HALF OF IT"

The station is otherwise empty.

5 INT. SQUAHAMISH TRAIN DEPOT - CHU APARTMENT - MORNING 5

SERIES OF CLOSEUP SHALLOW-FOCUS SHOTS:

- ELLIE'S HEAD POPS OUT OF A SWEATER

ELLIE (V.O.)

If you ask me...

- TWO FROZEN SWANSON CHICKEN PIES ON THE COUNTER

ELLIE (V.O.)

...people spend far too much time looking for someone to complete them.

A fork jabs holes into the tops of the pies.

(CONTINUED)

ELLIE (V.O.)
How many people find perfect love?

- LONE SOCK UNDER A BENCH. FINGERS REACH IN VAIN.

ELLIE (V.O.)
Or if they do... make it last?

Angle on half of Ellie coming out from under the bench, one sock on, one bare foot. Drift over to a BURSTING BAG OF DIRTY LAUNDRY... Drift further to an ALTAR for HER DEAD MOTHER. We linger on a PHOTO OF HER MOTHER: young, laughing, striking the same pose as the STATUE of BOB'S BIG BOY just behind her.

ELLIE (V.O.)
More evidence of Camus' theory that
life is irrational and meaningless.

- A PRINTER spits out a page on which is written:

"...Camus' theory that life is irrational and meaningless."

A HAND grabs the page, signing "Trig Carson, AP English".

CUT to ANOTHER PAPER. On its last page:

"We don't need the gods to mess things up for us."

The hand signs - in new penmanship - "Todd Ball, English"

Papers are tossed onto a stack.

- ON COVERS GENTLY BEING PULLED OVER EDWIN CHU, 50's, snoring in a LA-Z-BOY.

ELLIE (V.O.)
And that, my friends, is some A+
love philosophy right there.

In the deep background, Ellie tiptoes out.

- CHECKS OFF A LIST BY THE DOOR: "Long underwear" (check)
"Defrost pies" (check) "Laundry" (does NOT check) "Stay Away
From Boys" (check) "Have Good Day" (check)

ELLIE (V.O.)
Or A-, if Mrs. G is in a bad mood.

The door slams behind her.

CUE OPENING CREDITS

6 EXT. SQUAHAMISH - VIADUCT ROAD - SAME MORNING 6

A dilapidated sign announces: "It's Happening In SQUAHAMISH!"

The sign rusts in an empty field.

Ellie speeds past on her bike toward a viaduct.

7 EXT. SQUAHAMISH - ROAD INTO TOWN/CATHOLIC CHURCH - MOMENTS 7
LATER

The road continues past a small CATHOLIC CHURCH. Outside, a
Man with a SIGN: "JESUS IS COMING. ARE YOU READY?"

FATHER SHANLEY, 90's, stands in the doorway bellowing:

FATHER SHANLEY

"Outside are the dogs the sorcerers
the immoral persons and everyone
WHO LOVES AND PRACTICES LYING!"

Ellie flies by.

8 EXT. SQUAHAMISH - ROAD INTO TOWN/CARSON GRAVEL SIGN - 8
MOMENTS LATER

A giant granite sign heralds "CARSON GRAVEL. We're more than
just gravel!"

Ellie huffs past it up a hill and around the bend.

9 EXT. SQUAHAMISH ROAD INTO TOWN - CONTINUOUS 9

A TRUCK rips by, a group of OBNOXIOUS TEEN BOYS heckle from
the pick-up truck:

OBNOXIOUS TEENS

ELLIE CHUUU! Chugga-chugga-chugga-
chugga, Chugga chugga... CHU CHU!

*

They tear off, laughing.

Ellie presses on toward the peak...

...and coasts down the other side.

We lift up to see this former mining town in its faded glory.

A SWELL OF OFF-KEY SINGING from a STUDENT CHOIR.

10 INT. SQUAHAMISH HIGH - MUSIC ROOM - MOMENTS LATER 10

A handsome, pained DEACON JAY FLORES brings it to a close.

DEACON FLORES

Fantastic. The angels weep with
joy.

*
*

Hidden in the corner: Ellie at a keyboard, adjacent to the
BAND. She sneaks a term paper into the folds of a songbook,
sends it down the reed section.

On Ellie's phone: "HushMo: Todd B. sent you \$20."

*

DEACON FLORES (CONT'D)

Few announcements. Once again: wall
tubas have to be checked out before
use. These are delicate instruments
with sticky valves...

*

Songbooks travel the room. HushMo notifications roll in.

*

As the Deacon waxes on, we see kids on their phones.

One SHY BOY OBOIST types out: "Wanna go to OKTOBER FLING?"...

... which appears on a TROMBONIST'S SCREEN. She forwards...

...to three of her friends who roll eyes...

...one posts a SCREENSHOT with caption "#nerdalert".

Snickers throughout the room.

DEACON FLORES (CONT'D)

Is there a problem?

WHOLE CLASS (EN MASSE)

No, Deacon Flores.

*

DEACON FLORES

(beat) As I was saying, please keep
your reeds lubricated. Next up,
Winter Talent Show. Mandatory for
all seniors, last chance to strut
your stuff, again, mandatorily...

*
*
*
*

Shy Boy Oboist melts into his seat, beet-red.

Ellie's eyes travel past him into the CHOIR, where a group of
rich kids (QUADDIES) buzz around a TALL HANDSOME BOY, 17.
This is TRIG CARSON. Gravel money.

(CONTINUED)

10 CONTINUED:

10

Trig drapes his arm around A GIRL, 17, glued to her songbook... which hides her phone. THIS IS ASTER FLORES.

DEACON FLORES (CONT'D)

Let's all turn to page 49...

He lifts his baton. Aster reluctantly shuts her book, prepares to sing.

ELLIE (V.O.)

In case you haven't guessed, this is not a love story.

Ellie's eyes stay on Aster. Aster's voice rings out pure...

ELLIE (V.O.)

Or not one where anyone gets what they want.

...and travels out the window, where we hear...

COACH (O.S.)

ARE YOU MEN, OR ARE YOU LOSERS?

11 EXT. SQUAHAMISH HIGH - TRACK - SAME TIME

11

...a PACK OF FOOTBALL PLAYERS stampede in a CLOUD OF DUST. One BROAD-SHOULDERED BOY lags behind, staring at the window, transfixed. This is PAUL MUNSKY, 17.

COACH (O.S.)

MUNSKY!

He tosses a last glance over his shoulder... starts running.

12 INT. SQUAHAMISH HIGH - HALLWAY - DAY

12

Your basic school hallway jungle between bells. The populars, the not-so-populars... high-fives, side-eye, dismissals.

MRS. G. (O.S.)

Notice the lack of fire and brimstone in No Exit. No torture devices necessary...

Unnoticed in the swirl of activity is Ellie, staring at a poster labeled "SENIOR RECITAL SIGN-UPS - MANDATORY."

MRS. G. (O.S.) (CONT'D)

We are the source of our own hell.

(CONTINUED)

12 CONTINUED: 12

She signs her name resignedly - the only solo on the sheet.

13 INT. SQUAHAMISH HIGH - MRS. G'S CLASSROOM - DAY 13

In chalk on A BLACKBOARD:

"Hell is other people. -- John-Paul Sartre, NO EXIT."

BELL RINGS.

MRS. GESELSCHAP, 60's, sinks back into her chair.

MRS. G.

500 words on Sartre's use of
thwarted desire. Monday.

Students stream out, Ellie the last to leave.

MRS. G. (CONT'D)

Six different takes on Plato.
Impressive.

ELLIE

(innocent) Just the one.

MRS. G.

Sure, sure, that's what I tell the
bartender.

Ellie laughs. Pulls out a stack of books to return.

ELLIE

How come you've never turned me in?

MRS. G.

And have to read the actual essays
they'd write? (makes face)

Mrs. G slides over a new stack of books. On top: an
APPLICATION FOR GRINNELL COLLEGE.

ELLIE

You know I'm going to "E-Dub."

MRS. G.

Damn shame.

ELLIE

Damn "full-ride." I can live at
home. Plus, I get to stay in lovely
Squahamish.

(CONTINUED)

13 CONTINUED:

13

MRS. G.
Hell-quamish.

ELLIE
It's not that bad.

Mrs. G shoots her a look.

ELLIE (CONT'D)
It's not that good either. But it's
what's happening.

MRS. G.
I spent four of the best years of
my life at Grinnell.

ELLIE
And look at you, back home in *Hell-*
quamish.

MRS. G.
You're right. Stay away from the
liberal arts.

Ellie laughs and stuffs the application in her bookbag.

ELLIE
Try not to get fired over the
weekend.

MRS. G.
Are you kidding? Everyone in this
town fears God. You know who God
fears? (smug) Teacher's Union.

Ellie shakes her head fondly, and is gone.

14 EXT. SQUAHAMISH - ROAD OUT OF TOWN - AFTERNOON

14

Ellie pedals home from school.

That SAME TRUCK from morning hurtles by.

OBNOXIOUS TEEN BOYS
Chugga-chugga-chugga, Chugga-chugga-
chugga... CHU CHUUUUU!

Ellie keeps pedaling.

Moments later.

(CONTINUED)

14 CONTINUED:

14

PAUL (O.S.)

Hey!

Ellie pedals faster.

PAUL (O.S.) (CONT'D)

Hey!!

FASTER.

PAUL (O.S.) (CONT'D)

HEY!!! HOLD UP!

A BREATHLESS PAUL appears in frame. He grabs onto Ellie's saddlebag, bringing her down.

ELLIE

What is wrong with you??

PAUL

Sorry I-

He dry-heaves from exertion. Still coughing, he digs into his KNAPSACK... pulls out a bratwurst. Stuffs it into his mouth and keeps rummaging.

Ellie sighs. She knows what this is.

ELLIE

\$10 for 3 pages. \$20, 3 to 10. Not in the over-10 page biz-

PAUL

It's not- I'm not tryna to cheat-

ELLIE

Nobody is. Which class is it for?

PAUL

It's not- It's uh...

He pulls out an ENVELOPE and offers it to her.

ELLIE

What's this?

PAUL

A letter.

ELLIE

Who writes letters these days?

(CONTINUED)

14 CONTINUED: (2)

14

PAUL

I thought it'd seem romantic? Also she doesn't have Facebook. Maybe you could make me sound smart?

ELLIE

Who's "she"?

She opens it, curious...

INSERT: THE LETTER. "Dear Aster Flores..."

She shoves it back.

ELLIE (CONT'D)

I can't help you.

PAUL

I just need a few words. Good ones.

ELLIE

I'm not writing to Aster Fl- to some girl. It'd be wrong. A letter is personal. It's supposed to be authentic.

PAUL

That would be *awesome*!

ELLIE

No, I can't be *you* being authent-

Gives up. Mounts her bike.

ELLIE (CONT'D)

Get a thesaurus. Use spell-check. Good luck, Romeo.

Pedals off.

PAUL

I can pay more for authentic!

She's gone.

He hurls his KNAPSACK to the ground. Takes a resigned bite of his bratwurst.

15 INT. SQUAHAMISH TRAIN DEPOT - CHU APARTMENT - NIGHT

15

Close on a TV playing the last scene of CASABLANCA.

(CONTINUED)

15

15

Reverse on Ellie and Edwin Chu, in twin La-Z-Boy recliners, eating pot pies. Ellie keeps one eye on the screen, the other on a laptop where she writes three papers at once.

The lights flicker.

ELLIE (IN MANDARIN)

Did you call the power company?

EDWIN (IN MANDARIN)

They don't understand my accent.

ELLIE

Did you try?

EDWIN

Sssshh. Best part.

HUMPHREY BOGART (ON TV)

I think this is the beginning
of a beautiful friendship.

EDWIN (CONT'D)

I think this is beginning of
beautiful friendship.

Edwin shoots his daughter a sheepish look. She sighs, affectionate.

ELLIE

I'll call Monday.

Father and daughter take synchronized bites of pie.

16

EXT. SQUAHAMISH TRAIN DEPOT - ENGINEER BOOTH - NIGHT

16

The station deserted save for a lone Ellie - in the engineer booth - pounding away on her keyboard.

ON BLACK:

"The god of love lives in a state of need. -- Plato. Again."

17

EXT. SQUAHAMISH - ROAD INTO TOWN - MORNING

She spies PAUL out of the corner of her eye LOOKING TO GET HER ATTENTION. She dodges down an arterial hallway...

ELLIE (INTO PHONE)
Bill... Extension.

HOLD MUSIC continues.

19 INT. SQUAHAMISH HIGH - MUSIC ROOM - NOON 19

Ellie alone in the music room, playing a dirge-like solo to accompany the HOLD MUSIC.

20 INT. SQUAHAMISH HIGH - HALLWAYS - AFTERNOON 20

A weary Ellie braves the afternoon hallway crowd, phone still pressed to ear. Spins to avoid PAUL on the far end of the hallway with his teammates...

... SLAMMING right into TRIG AND HIS QUADDIES, who walk through her, oblivious. Books, papers, bag go flying.

She scrambles to gather her things.

ASTER
These hallways are murder.

Aster has stooped down. To help.

ASTER (CONT'D)
It's a whole natural selection situation waiting to play out.

Ellie is struck dumb. *Say something, say something...*

(CONTINUED)

20 CONTINUED:

ELLIE
I'm Ellie Chu.

ASTER
(amused) Yes, I know. You've only
been playing my dad's services
every Sunday for like four years.
You're his favorite heathen. He
can't handle mediocre accompanists -
even if they are saved.

They stand. Aster glances at the book she picked up.

ASTER (CONT'D)
"Remains of the Day". Loved it. All
that barely repressed longing.

She pops it on top of Ellie's stack... and is gone.

ELLIE
(groaning) "I'm Ellie Chu?"

CUSTOMER SERVICE (OVER PHONE)
Yes I know. Your bill is 3 months
overdue, Mrs. Chu. If we don't get
a minimum payment of \$50, your
power will terminate tomorrow.

Ellie stands alone in the hallway, as the LAST BELL RINGS,
staring into nothingness. Suddenly, at the end of the hall:

PAUL appears, searching... finds her! *Is she gonna run again?*

On a desperate Ellie, considering. Then:

ELLIE
\$50. One letter. After that you're
on your own.

PAUL
YES!

He holds up his hand for a high five. She walks away.

ELLIE

"Dear Aster, I think your really beautiful. But even if you were ugly, I'd want to know you. Cuz you are smart and nice too. It's hard to find all those things in one girl. But even if you were only two of those things, I'd be into it. But your like all three. Just to be clear."

She looks up at Paul: *What is this?*

PAUL

She's like - all three.

ELLIE

Thanks for clarifying.

She goes back to the letter.

ELLIE (CONT'D)

"About me. I am kind of cute. Some people think I'm the cutest one in my family! Those people being my grandma. Who's dead now. Never mind about my dead grandma. All I am trying to say is that I like fries. I like dipping them in my milkshake. Is that weird? It's actually really tasty! Would you like to try that with me some time? Let me know. I work part time and I have a truck! Let me know. Whenever. Thanks, Paul Munsky. (Second-string tight end. Football.)"

Beat.

ELLIE (CONT'D)

So what you're trying to say is--

PAUL

I'm in love with her.

ELLIE

Have you ever spoken to her?

PAUL

I'm not good with words.

But you *know* you "love" her.

PAUL

I *know* I think about her when I wake up, and when I'm doing sprints, and when I'm eating my mom's brats, and when I'm saying my prayers and when I'm--

ELLIE

That just means you're stubborn. Not that you're in love.

PAUL

No, it's love. Love makes you screwy. Don't you get screwy?

ELLIE

No.

She goes back to the letter, skimming it.

ELLIE (CONT'D)

(to self) This whole section needs - that fry thing does sound good - (crossing out) dangling modifier...

Paul takes her in.

PAUL

Oh. I get it.

ELLIE

Get what?

PAUL

You've never been in love.

Ellie looks at him. Shoves the letter into his ribs.

PAUL (CONT'D)

Ow!

ELLIE

You want a letter about love? I'll write you a letter about love.

She grabs her bag.

ONSCREEN: "Wings of Desire" by Wim Wenders.

Edwin watches, rapt. Ellie handwrites furiously. She looks

ELLIE (IN MANDARIN)

*This isn't even American. How are
you going to learn English?*

EDWIN (IN MANDARIN)

Sssh. Best part.

Ellie considers this. Writes "Longing for a wave of love..."

24 INT. SQUAHAMISH HIGH - HALLWAY - MORNING

24

An exhausted Ellie shoves a letter toward Paul.

PAUL

I'm sure it's good.

Ellie leaves.

Ellie jerks to a stop.

INSERT: ASTER'S RESPONSE:

ASTER (V.O.)

"I like Wim Wenders too. Wouldn't a plagiarized him though."

Off Ellie's astonished reaction. *Who is this girl?*

PAUL

Who's Wim Wenders? And why'd you cheat off him?!

ELLIE

I didn't cheat off him-

PAUL

I looked up "plagiarize"-!

ELLIE

I kinda cheated off him-

PAUL

I PAID you-!

ELLIE

But this is good!

How?

Yeah, how?

Major downer! Ask her to hang out!

ELLIE

(a real question)

What exactly is... "hanging out"?

PAUL

You know. *Hanging out.*

ELLIE

But like what do you *do*?--

A couple guys from the team ENTER. Paul and Ellie separate,
pretend not to know each other.

PAUL

I used to hide here when my

She wrote back.

Ellie's arm reaches for it from the other side.

ASTER (V.O.)

Close on Aster's face, smiling, stifling said yawn.

ASTER (V.O.)

"This is the sort of weird fact I

DEACON FLORES (IN SPANISH) (CONT'D)
(to Aster) *Sit up straight.*

Aster straightens. Trig snaps a selfie of the two of them.
She smiles dutifully.

ASTER (V.O.)
"When you're a pretty girl - and I
know it makes me sound conceited -
but that's why you're even writing
me, right?"

39 INT. SQUAHAMISH CATHOLIC CHURCH - CONFESSION BOOTH - DAY

39

Ellie and Paul look at each other... *She's not wrong.*

They go back to the letter.

ASTER (V.O.)
"When you're the pretty girl,
people want to give you things..."

40 INT. SQUAHAMISH HIGH - ASTER'S LOCKER/HALLWAY - ANOTHER DAY 40

Aster shuts her locker to reveal one of the QUADDIE GIRLS holding a knit neck gaiter. Exactly like the one she is wearing. And that of her three friends.

ASTER (V.O.)
"But what they really want is to make you like them."

QUADDIE GIRL #1 (AMBER)
It would look so cute on you!

ASTER
Oh. Thanks!

ASTER (V.O.)
"Not 'like them' as in 'I like you' but 'like them' as in 'I am like you.'"

QUADDIE GIRL #1 (AMBER)
Like... soooo cute on you!

QUADDIE GIRL #1 (AMBER) smiles at Aster expectantly.

ASTER
Oh! You mean right now.

41 INT. SQUAHAMISH HIGH - HALLWAY - MOMENTS LATER 41

ASTER WALKS DOWN THE HALLWAY, FLANKED BY QUADDIE GIRLS, ALL IN NECK GAITERS.

Trig comes up behind and throws an arm around all of them, conferring his approval. Basks in their adoration.

ASTER (V.O.)
"So I'm like a lot of people."

42 INT. SQUAHAMISH CATHOLIC CHURCH - CONFESSION BOOTH - ANOTHER DAY 42

Ellie reads from the letter.

ELLIE
"Which makes me kind of no one."

She marinates in that for a beat.

ELLIE
Too soon.

PAUL
I'm gonna do it.

ELLIE
If you want her to think you're

Paul stops. Sighs. Types on his phone.

CHA-CHING. Ellie looks at her phone.

HUSHMO NOTIFICATION: "HushMo: Paul M. sent you \$50"

*

ELLIE (V.O.)
"I never really thought about the
oppression of fitting in before."

MONTAGE continues, in shorter letter snippets:

43 EXT. SQUAHAMISH - ROAD OUT OF TOWN - ANOTHER DAY

43

Ellie gathers speed on her bike.

ELLIE (V.O.)
"The good thing about being
different is that no one expects
you to be like them..."

PAUL (O.S.)
Wait up!

Paul huffs to catch up with Ellie. Ellie sighs.

44 INT. MRS. G'S CLASSROOM/EXT.PARKING LOT - ANOTHER DAY

44

Aster reads a letter hidden in her textbook.

ASTER (V.O.)
"...Doesn't everyone think they're
'different' but pretty much we're
all different in the same way..."

Bell rings. Mrs. G dismisses class in background.

surprised..."

A PAGE from the letter FALLS TO THE FLOOR, unseen, as Aster hurries to meet him.

45 INT. SQUAHAMISH HIGH - GIRLS' BATHROOM - ANOTHER DAY

45

Ellie scrubs bike grease from her hands.

ASTER (V.O.)
"...Well, you are surprising."

Door opens.

Through the MIRROR:

TWO QUADDIE GIRLS enter stalls.

QUADDIE GIRL #1 (AMBER)
The one in Tukwila has a Gap Body.

QUADDIE GIRL #2 (SOLANGE)
I LOVE Gap Body!

Ellie can't quite get the grease out of her nails.

Door SWISHES. ASTER HAS ENTERED. She moves to the back wall, where she leans, waiting for a stall.

Her eyes meet Ellie's through the mirror. Ellie's snap down.

Aster takes in the back of Ellie. The wiry frame. Keys CLIPPED to belt loop. INK STAIN through back pocket.

QUADDIE GIRL #2 (SOLANGE) (CONT'D)
... it has like 15 dressing rooms.

QUADDIE GIRL #1 (AMBER)
Totes the better Gap.

QUADDIE GIRL #2 (SOLANGE)
Sooo much better than the one in
Wenatchee.

Aster smiles. Ellie blushes. The two girls share a moment.

QUADDIE GIRL #1 (AMBER) (CONT'D)
Trig checked in at Dick's FryFry!

QUADDIE GIRL #2 (SOLANGE)
Aster is so lucky.

QUADDIE GIRL #1 (AMBER)
Totes lucky. His family owns half
of Squahamish.

QUADDIE GIRL #2 (SOLANGE)
Hers doesn't even own their house.

Aster, red-faced, slips out of the bathroom.

Ellie watches her go. Turns to look at the stalls.

DUAL FLUSHES.

Close on the STALL DOOR HINGE being shifted with a BIKE TOOL.

46 INT. SQUAHAMISH HIGH - GIRLS' BATHROOM - MOMENTS LATER

What the--? HEY!

Rattle, rattle, rattle...

48 INT. MRS. G'S CLASSROOM - MOMENTS LATER 48

...a classroom. She looks blankly at Mrs. G... who holds up a trampled stray page of a LETTER. Guilt floods Ellie's face.

49 INT. MRS. G'S CLASSROOM - MOMENTS LATER 49

Mrs. G stares at Ellie, post-confession.

MRS G
Ellie. What you're doing is *wrong*.

ELLIE
I know.

MRS G
This is a girl's heart you're playing with. Not just a money-making venture for you.

Ellie looks away... and Mrs. G sees the truth. More gently:

MRS G (CONT'D)
So this is why half the class is failing their essays.

ELLIE
I'll be re-open for business soon enough. I mean this can't go on much longer.

She slinks out. Mrs. G watches her go, concerned.

ASTER (V.O.)
"I've been thinking about what you said about 'seeing' and 'not seeing.'"

50 INT. TEQUILIA SAL Y LIMON - DAY/INT. SQUAHAMISH TRAIN DEPOT 50
- ENGINEER BOOTH - ANOTHER DAY

Aster waits on a table of demanding customers at an upscale restaurant. She is accommodating, poised.

ASTER (V.O.)

"I had a painting teacher once tell me that the difference between a 'good' painting and a 'great' painting..."

While the customers bicker, her eyes land on a painting on the wall: a reproduction of Chagall's "Blue Lovers."

Her eyes take in the artistry of the painting.

ASTER (V.O.)

"...is typically five strokes. And they are usually the five boldest strokes in the painting. The question of course..."

We see a touch of longing in her gaze.

ASTER (V.O.)

"Is which five strokes?"

CLOSE ON THE PAINTING.

ELLIE (V.O.)

"I get it."

PULL OUT TO SEE: Ellie - in the engineer booth - staring at the same painting on her phone screen.

ELLIE (V.O.)

"After one's slaved away at making a "pretty good" painting, the last thing you'd want to do is..."

The SOUND of a HUGE RIP...

51 EXT. MUNSKY SAUSAGE SHOP - BACK ENTRANCE - ANOTHER DAY 51

ELLIE (V.O.)

Next to him, ELLIE HOLDS UP HER PHONE displaying an IMAGE OF
THE PAINTING, explaining.

Paul wipes sweat off his puzzled brow.

ASTER (V.O.)
"Still.. I wonder if that is how
I'm living my life."

52 EXT. CARSON GRAVEL QUARRY - ANOTHER DAY

52

ASTER writes a letter, in the folds of her book.

ASTER (V.O.)
"It's a 'pretty good' life."

TRIG
Babe? Which one.

Trig holds up two very similar jean jackets. A photo shoot
for a Carson Gravel ad campaign awaits him.

TRIG (CONT'D)
Right one, right? Great.

Aster goes back to her letter.

In the background, Trig throws an arm around his dad.

ASTER (V.O.)
"Probably the best life one could
hope for in Squahamish."

PHOTO FLASH.

53 INT. SQUAHAMISH TRAIN DEPOT - CHU APARTMENT - DAY

53

Ellie in her recliner. Widen to reveal Edwin asleep in his.
She adjusts his quilt gently. Removes a half eaten chicken
pie. Stares at it as if seeing it for the first time.

ELLIE (V.O.)
"Perhaps. But how well do you
really know Squahamish...?"

54 EXT. SIDE OF AL'S BIG BEEFY - AFTERNOON - MULTIPLE DAYS 54

Aster rounds the corner, tentative. Consults A LETTER with geographic coordinates.

CRAPPY GRAFFITI lines the side wall of Al's Big Beefy.

Up high, in freshly sprayed BIG BOLD LETTERS:

"ANY FIVE STROKES..."

An ARROW points toward the expanse of graffitied wall. Another points to a CAN OF SPRAY PAINT hidden in the weeds.

Aster laughs. A cautious glance around... she PICKS UP the can and SPRAYS ONE BOLD STROKE. Exhilarated. Sneaks away.

ASTER (V.O.)
"...Your move..."

(Note: all V.O. lines will now appear as graffiti onto the wall, painted over once the next line appears.)

Dissolve to ELLIE now SPRAYING ANOTHER STROKE...

Alternate between the two...

ELLIE (V.O.)
"Oh so *that's* your boldest stroke?" *

ASTER (V.O.)
"I'm into the slow build! What was *that?*" *

ELLIE (V.O.)
"Decisiveness. But please... take all the time you need to be bold." *

ASTER (V.O.)
"Is THIS bold enough for you...?"

...as their SPRAY PAINT ART CREATION TAKES SHAPE.

It's a beautiful mess. Aster can't stop smiling.

ELLIE (V.O.)
"And thus was abstract art born..."

"Everything beautiful is ruined eventually."

ELLIE (V.O.)

"Maybe that's the thing. If you do ruin your painting..."

55 EXT. SQUAHAMISH TRAIN DEPOT - ENGINEER BOOTH - ANOTHER DAY 55

Ellie stares across the train tracks, lost in thought.

ASTER (V.O.)

56 INT. SQUAHAMISH HIGH - MATH CLASSROOM - ANOTHER DAY

Aster stares out the window, lost in thought.

Bzzz. Aster glances down at her phone.

Aster deliberates. Puts her phone face down on her desk.

ELLIE (V.O.)

"...you'll never know if you could have had a GREAT painting."

She stares at a blank page. And starts sketching.

Sound of a TEXT SENDING. Startling Ellie.

ELLIE
Wait, *what?*

PAUL
At a certain point, you gotta
close.

ELLIE
We're *not* at that point!

PAUL
We are *way* past that point!

Ellie grabs Paul's phone.

PAUL
Who's Smith Corona?

ELLIE
Just a... guy.

Dots disappear.

ELLIE (OVER PHONE)

She prefers abstract to representational. And if she brings up *Remains of the Day*, talk about how the movie loses out by not spending more time on the Nazis--

PAUL (O.S.)

Relax, I got this.

ELLIE (OVER PHONE)

But--

PAUL (O.S.)

It's a date, not a book report.

63 INT. SPARKY'S DINER - NIGHT 63

Aster slides a copy of *REMAINS OF THE DAY* across the booth.

ASTER

I got two of them signed when he came to Powell's books last year. I drove all night to get there.

Her face is lit, shy, expectant.

PAUL

Oh. Uh. Cool!

ASTER

You've probably read it. But I thought you'd like one.

She groans.

Milkshakes arrive. Paul sips, nervously.

Aster, flustered, tries again.

ASTER
Speaking of Nazis, thanks for meeting me here. My dad is... not a *Nazi* exactly... but he can be a little strict. And people talk.

PAUL
Oh. Yeah. Talk. UGH.

Silence.

ASTER
But it's nice to make a new friend.

PAUL
Friend. Yeah. Good.

He has sucked down his milkshake. Toys with the straw.

PAUL (CONT'D)
They use ReddiWhip.

ASTER
Oh.

PAUL
It's from a can. But it's okay.

More silence. Awkward. So awkward.

It's all over Ellie's face: *this is a disaster.*

67 EXT. SQUAHAMISH - ROAD OUT OF TOWN - DAY 67

Ellie bikes up the hill, Paul trying to catch up.

PAUL

It wasn't that bad.

ELLIE

What about that date wasn't *bad*?
You have *nothing* in common-

PAUL

Not yet but-

ELLIE

Game over.

PAUL

We can't give up-

Paul has in fact given up and is dry heaving behind some shrubs.

ELLIE

Look. You and Aster Flores? NOT
GONNA HAPPEN.

HOOONK. The truck of OBNOXIOUS TEENS cruises by.

OBNOXIOUS TEENS

Her eyes wide as saucers.

68 EXT. ABANDONED TRAIN CAR - LATER THAT DAY

Ellie coils cable in the back of the car. Paul hovers.

ELLIE

Aster Flores thinks you're into
abstract art... and repressed
British literature and-

PAUL

Yeah!

ELLIE

None of that is *you*.

PAUL

It could be. I started reading that
Remains of the Day book.

ELLIE

Really?

PAUL

(admits) Fell asleep a few times...

He wants this so bad...

ELLIE

(sighs) Okay.

Joy floods Paul's face.

PAUL

I'll pay you double.

ELLIE

You don't have to pay me.

Enjoy your "happy" life in Squahamish!

She's about to slam the truck door. Paul springs across the front seat, catches the door before it closes.

PAUL

The thing about *No Exit* is it's like how what I really want is to run my own shop - one with new recipes - and FYI, "TACO SAUSAGE" IS REALLY EFFIN GOOD - but I'm just the fourth son, and my family has made the same dogs for 49 years, and doesn't matter that we're going out of style or broke - it's Nana's recipe, and if my Ma can't have her Nana, at least she can keep making her sausages, and if I break away, I'd break her heart, and it's her heart or mine so... I stay.

Paul is breathless. It's more words than he's ever said.

Ellie slowly gets back into the truck. Exhales.

ELLIE

We had to go where my dad could get a job.

PAUL

He studied trains?

ELLIE

Engineering. PhD, no less.

PAUL

So he became... the Station Manager at Squahamish?

ELLIE

To start. Plan was to be promoted to "System Engineer" or... *anything* "Engineer". Squahamish was a jumping off point. (beat) Turns out speaking good English trumps a PhD. Or one from China, anyway. And my dad--

PAUL

Has a hard time speaking.

ELLIE

(bristling) He's not *bad*.

PAUL

I have a hard time speaking too.

ELLIE

True. What's your excuse?

Tension broken. Paul grins. He starts the engine.

PAUL

How do you feel about pot roast?

ELLIE

I should get back to the station.

PAUL

We gotta eat.

Ellie's stomach GROWLS. They drive away.

90 INT. MUNSKY HOUSE - DINING ROOM - NIGHT

90

It's mayhem. The six members of Paul's family: COLLEEN (MA), BILL (PA), brothers GREG, PETE, TOMMY, and sister LENA function like one chaotic organism.

Paul and Ellie stand off to the side, unnoticed.

GREG MUNSKY

So Marcy and me are thinking Vegas for the honeymoon! Cheap AND fancy!

PETE MUNSKY

Dog-wrestling, Pa! Sport of the near future!

LENA MUNSKY

Tommy, stop friending my friends!

TOMMY MUNSKY

Stop making hot friends!

BILL MUNSKY (PA)

You're *not* running a dog-wrestling ring out of our house!

COLLEEN MUNSKY

NO ONE gets married until they can afford to move out and pay rent!

Paul glances at a stunned Ellie.

PAUL

Or we could go to your place?

93 INT. SHITTY REC ROOM SOMEWHERE - ANOTHER DAY 93

We're back at the ping pong table.

ELLIE

Match energy. Match strokes. Then just say one thing.

Paul nods, deliberate and slow. Ellie serves.

ELLIE (CONT'D)

Where were you born?

Paul hits the ball back, gently.

PAUL

In Squahamish. What about you?

ELLIE

Okay good! That wasn't so hard!

PAUL

ELLIE

Me neither.

The ball continues between them.

Aster's mouth twitches upward. From her organ, Ellie smiles.

Aster turns to look at Paul... who breaks into a goofy smile.

Ellie's eyes drop to the organ keys.

97 INT. MRS. G'S CLASSROOM - ANOTHER AFTERNOON 97

Ellie dodges Mrs. G's gaze on her way out. Then turns back.

ELLIE

MRS G

You know where else you can meet
people your age who *get* you?

Ellie slinks out.

98 INT. SQUAHAMISH CATHOLIC CHURCH - CONFESSION BOOTH - ANOTHER AFTERNOON 98

Braised pork over rice. Yours?

PAUL

Taco sausage!

ELLIE (CONT'D)

Taco sausage.

PAUL

Does braised pork have five-spice powder?

ELLIE

How do you know five-spice powder?

PAUL

Kinda creeped in your cabinets.

Ellie shoots him a look.

PAUL (CONT'D)

I'm always looking for new spices.

ELLIE

Giving up on the taco sausage?

PAUL

"Taco sausage" has a nice ring.

PAUL

Right?

He brightens.

PAUL (CONT'D)

Hey.

ELLIE

PAUL

What was your mom like?

ELLIE

Young. Funny. Dead.

PAUL

Before she died.

Smithcorona: World asleep. More room for thoughts

DiegaRivero: Hour of secrets?

Smithcorona: Something like that

DiegaRivero: So what secrets...?

Angle on Ellie biting her lip.

102 INT. SHITTY REC ROOM SOMEWHERE - NEXT DAY 102

Back to convo lessons. Ellie's thoughts still on last night.

ELLIE

What do you like about Aster?

PAUL

She's pretty and smart and she's never mean and she smells like fresh ground flour. Why?

ELLIE

Just wondering.

PAUL

Why else could I like her?

ELLIE

I don't know. (now thinking) How her eyes look right into yours... How she twirls her hair when she's reading. How her laugh busts out like she can't help herself and she stops being so... *PERFECT* for just a few moments. How she has at least five different voices. How you could live in an ocean of her thoughts and feel like she knows you, like really KNOWS--

What you just said? *That's* what you
say when you love someone.

ELLIE
No! I was just talking-

PAUL
No, it *is*. And you don't even care!
I love her and I can't... UGH!

He slams his paddle onto the table. Ellie exhales in relief.
Then realizes: Paul's miserable. She takes him in. Gently:

ELLIE
You try harder than anyone I've
ever met - with the possible
exception of my dad with my mom -
to show a girl you love them... And
if love isn't the effort you put
in... then what is it?

Paul looks up.

PAUL
Yeah?

ELLIE
Yeah.

Paul shoots her a thoughtful glance.

ON THE TV: A train pulls out of a station.

ELLIE (CONT'D)

(to TV) Do not run after her train.
Do NOT... Do NOT... Ugh.

PAUL

Kinda sweet.

ELLIE

Kinda trite.

PAUL

Well. Thanks.

Paul starts to go.

Sorry, go ahead.

WHIP-PAN back to Aster.

DiegaRivero: I'm not? Then what are you?

SmithCorona: Also... not just a girl

Aster laughs. Looks up at Paul.

He gives her a wide, confused smile. And a thumbs up.

Aster's not sure how to react.

Ellie groans.

DiegaRivero: You're strange. But cute.

Ellie is out of her depth.

SmithCorona: You have... classic bone structure.

ELLIE

I'm gonna be puking.

PAUL

You're *always* playing for an

ELLIE

On the side. Not on stage. Alone.

PAUL

You're gonna crush it. OH. Did I

He relives that moment.

PAUL (CONT'D)
Then she had curfew so we walked to

Ellie fiddles with a zipper.

And now we're going out on a date date - not a friend date - when she gets back from some youth group in Sacramento!

He reaches out for a high-five. Notices her motley outfit.

PAUL (CONT'D)

There are dressing rooms, you know.

ELLIE

I'll just get this.

PAUL

Really?

She sounds less certain than usual. Paul takes her in.

PAUL

Ellie straightens.

PAUL (CONT'D)

Great. Ellie heads to the bathroom.

The Obnoxious Bullies sneak in and fiddle with the piano.

Paul gestures from the side: *Play it.*

Ellie looks at the guitar. At the crowd. Back at Paul.

She turns around on the bench. Closes her eyes. Starts to play "Half Way." Her voice starts shaky... then steadies... finishing pure and clear and strong.

It is dead silent in the auditorium.

AND THEN THE CROWD GOES WILD.

Ellie is startled. *What is happening?*

GIRL FROM MATH CLASS

Ellie Chu! I just wanted to say

ELLIE

Oh. (embarrassed) Yeah, I can't get

GIRL FROM MATH CLASS

They look badass! Want to play

Triumphant look.

ELLIE
Okay.

She passes out.

He lays her gently on the bed.

Sets her backpack against the bed... out spills SEVERAL SEALED LETTERS to various food critics around the state. Addressed in "his" writing.

Paul stares at the letters. Then at Ellie.

He settles in an armchair in the corner, awake, watching.

Ellie does a SPIT TAKE.

ON HER PHONE are FIVE UNREAD MESSAGES. The first: "Home early

She falls out of bed in a frantic attempt to groom, clean,
calm herself because ASTER FLORES IS ON HER WAY DOWN.

In her haste, she wakes Paul's laptop, which starts playing a
dumb prank show called "TOO AWESOME TO DIE"

ELLIE
Ugh.

She can't get it to stop.

Above, a door opens. Colleen and Aster descend the stairs.

COLLEEN MUNSKY (O.S.)
...we went as far as Sekiu once,
but never made it all the way to
California. You're quite the world
traveler!

Colleen and Aster enter, just as Ellie muffles Paul's laptop

COLLEEN MUNSKY (CONT'D)
Oh, it's Paul's Chinese friend!
Didn't hear you come in.

ELLIE
Just dropping off books...

Aster is also dropping off-

Tommy! Hands off the grinder!

Colleen hustles back upstairs.

Aster smiles, a bit guarded.

ASTER

Hi.

ELLIE

Hi.

ASTER

So you and Paul-

Paul's laptop wakes: "...stuff an electric eel UP HIS NOSE!"

ASTER (CONT'D)

Is that... *"Too Awesome to Die?"*

ELLIE

Yup. *I* was watching that.

From the laptop: "check out the electric snot! Woah! AWESOME!" Ellie puts another pillow on top.

ASTER

Are you two...?

ELLIE

Oh god no! No, no! He is totally one hundred percent into you!

ASTER

(surprised) You know about us?

ELLIE

Oh! Uh. He wanted to do some extra reading, so I lent him some books.

ASTER

He's doing extra reading?

ELLIE

For you.

ASTER

That's... sweet.

ELLIE

It is.

(CONTINUED)

It really is. Aster relaxes.

ASTER

(confessing) On our first date, I kept talking about books... I think I almost drove him away. God, I can be such a nervous idiot!

What? Ellie is dumbfounded.

ELLIE

You could never be an idiot. I mean *Paul* would never think that. He's way into you.

Aster takes this in, smiling.

ELLIE (CONT'D)

I should get back to the station.

She notices a SMALL CANVAS PRINT in Aster's hand.

ASTER

(self-conscious) Just something silly I made on my trip.

Ellie reaches for it. It's reminiscent of the mural they made. But clearly the stirrings of Aster's own voice.

ELLIE

I like this stroke off to the side. Lonely..... And hopeful.

Aster looks at her own painting.

ASTER

Yeah.

Ellie hands it back.

ELLIE

He'll love it.

She starts to go. Aster looks up from her painting.

ASTER

Can I come with?

ELLIE

To the station?

127 EXT. SQUAHAMISH TRAIN DEPOT - DAY

CLOSE ON the side of a train slowing... then starting to speed up... then jerking to a stop. Then finally pickup speed to WHIP BY, leaving... Aster on the platform, laughing, clearly having botched the signal lights.

ASTER

You get to do this every day?

ELLIE

Twice. 6:40am and 11:40PM weekdays.
12:10PM and 9:20PM weekends. Give
or take an hour.

ASTER

That is AWESOME!

ELLIE

(wry) It's a real blast.

ASTER

It's so master-of-the-universe.

ELLIE

A teeny-tiny universe.

ASTER

At least you rule *something*.

Ellie takes the lights and ducks into the booth. Aster points at some ELECTRIC SIGNAL LIGHTS.

ASTER (CONT'D)

What about those?

ELLIE

My dad doesn't trust them.

Ellie finishes. Stares at Aster from the booth.

An awkward beat. What next?

A beat up hatchback hightails it out of town.

Aster cranks up the radio.

ELLIE

Where we going?

ASTER

My favorite secret place.

Ellie peers back out the window as Squahamish recedes in the distance. She closes her eyes. Feels the wind in her hair.

129 EXT. ABANDONED MOUNTAIN ROAD - LATER 129

The Fiesta slows to a stop at the end of a dirt road.

It is lush and foggy and deserted.

Ellie gets out of the car.

ELLIE

This is your favorite secret place?

ASTER

Almost.

Aster pulls out a duffel bag and starts down the trail.

130 EXT. SECRET HOT SPRINGS - LATER 130

ELLIE

ASTER

Aster turns to give her privacy.

ASTER (CONT'D)

We didn't have trees like this in Sacramento. Everything's reversed. Things die off in summer, turn green in winter.

ELLIE

Is that where you grew up?

ASTER

Born there. Moved here. My life story.

She hears Ellie slip into the spring. Turns to find her still in a t-shirt. Glasses fogged. And...

ASTER (CONT'D)

Is that long underwear?

ELLIE

Yes.

Aster's mouth twitches. Then suddenly she hauls her body - naked - out of the spring.

ASTER

I almost forgot.

Ellie averts her eyes wildly.

ASTER (CONT'D)

There's no cell service here, so...

She digs a SMALL RADIO out of her duffel, switches it on.

Edwin lowers the spray hose.

ELLIE

Oh. Sorry.

ASTER

Don't be. It's nice.

Aster seems thoughtful.

ELLIE

(blurts out) Paul's cool.

A beat of disappointment. Then Aster shifts gears too.

ASTER

He's... confusing. When I'm with

sweet guy. Then he writes these
things that feel... not safe.

ELLIE

Not safe...?

ASTER

They just make me wonder...

She trails off, a million unspoken thoughts.

ASTER

That must be so nice.

ELLIE

No. It's not. It's... lonely.

It's the most real thing she's ever said.

Aster hears it. Lets it sink in.

*

ASTER

I wish I knew what I believed. I
overheard Trig once talking to my
dad about our future wedding. He
hasn't even asked me yet - he's
just so *sure*. And maybe that's
love? I've been asking God to give
me a sign. If this is what love is,
I'll accept it and be grateful. But
if it's supposed to be something
bigger, something more... And then
Paul's letter appeared in my
locker. And I've never felt so...
understood.

*

She glances at Ellie, embarrassed.

ASTER (CONT'D)

Silly, right?

ELLIE

No. It's not silly.

A moment of real connection.

ASTER

You know what *is* silly?

Aster wades slowly toward Ellie... removes her glasses...
tries to YANK her shirt off. They tussle. Shrieking.

Gravity is matter's response to loneliness.

ASTER
Who said that?

ELLIE
...I don't know.

ASTER
Well then *you* said it.

Is this true? They float.

FROM THE RADIO: "If You Leave Me Now" by Chicago.

ELLIE

They listen.

ELLIE (CONT'D)
She said every song, movie, story has a best part.

ELLIE

Yeah.

CHICAGO (FROM RADIO)

I was selfish. And maybe love is selfish. It's having this secret stashed in you, until one day it feels like someone else has that same secret and suddenly this thing you didn't even know you held feels full and amazing and real... But it turns out to be a lie. And you're left lonelier than ever. So I'll do whatever Hail Mary's you deem fit. But whatever punishment you give me, it can't be worse than this feeling. Because even now... he's the only one I want to talk to. And it's like he doesn't even exist.

intervention.

ANGLE ON ELLIE AT THE DOOR

She catches Paul's eye. The two friends share a nod.

DIRECT HIT from his mom's handbag.

PAUL

Ow!

Ellie slips out, grinning.

160 INT. SQUAHAMISH TRAIN DEPOT - CHU APARTMENT - LATER 160

Ellie enters the apartment.

Bags of freshly folded dumplings sit on the counter. Edwin has been hard at work.

She rinses her hands and joins her father.

ELLIE (IN MANDARIN)
This is a lot of dumplings.

EDWIN (IN MANDARIN)
It's six days. 18 meals. To Iowa.

Ellie stares at her dad, astonished.

EDWIN (CONT'D)
*We didn't come to this country so
you could be like me. We came here
so you could be like your mother.*

Ellie flushes. A lovely beat as father and daughter fold dumplings, neither looking at the other.

ELLIE (IN MANDARIN)
You don't mean "dead", right?

EDWIN (IN MANDARIN)
God, I hope not.

161 EXT. SQUAHAMISH TRAIN DEPOT - DAY 161

Outside, it's grey and moody. And beautiful.

ON BLACK:

New slide: "Love is messy and horrible and selfish... and bold. - Ellie Chu"

162 EXT. TEQUILIA SAL Y LIMON/ROAD - A FEW MONTHS LATER - DAY 162

A sunny late August day.

A shift of WAITSTAFF exit, laughing, Aster amongst them. Stops short when she sees...

ELLIE, leaning against her bike, waiting.

Aster hesitates, waves her friends on.

She starts to walk. Ellie falls in next to her.

ELLIE

You haven't been to church.

ASTER

I've been busy.

ELLIE

Yeah?

ASTER

(beat) You need four portfolio pieces for art school, so...

ELLIE

Art school? That's great!

ASTER

Nothing's *great* yet, but we'll see. What's going on with you?

ELLIE

Well, I'm headed east to Grinnell. They took me late acceptance, so--

ASTER

Good for you, Ellie. Take care.

She starts to cross the street.

ELLIE

Aster. (beat) I'm sorry.

Aster slows to a stop, still not turning.

ELLIE (CONT'D)

It was just supposed to be one letter. But then writing you turned out to be the closest I've ever come to being... heard. (beat) I never meant to hurt you.

A flicker of pain crosses Aster's face. Then:

ASTER

Sometimes I wish... "you" existed.

ELLIE

I know. I'm sorry.

A Bronx cheer arises from a distant sports bar. Then silence.

ASTER

Deep down I probably knew the truth. (beat) I mean you really didn't put enough emojis in his texts...

ELLIE

I *don't know what they mean!*

ASTER

A puppy or a sausage-

ELLIE

I should have sent you a *SAUSAGE EMOJI???*

ASTER

Fair point.

Truce. They smile at each other. Then, looking away:

ASTER (CONT'D)

For what it's worth, it's not like it *never* crossed my mind if things were different. Or I was different.

Beat. Then gently deadpan:

ELLIE

You could never be different.

Aster looks back sharply.

ELLIE (CONT'D)

(still deadpan) "Am I *sure* I'm different? How do I *know* I'm *sure*?"

ASTER

I can be *sure!*

ELLIE

"I mean, *what does God think...?*"

ASTER

Oh my god-!

ELLIE

Just on and on and-

ASTER

You watch: in a couple years, I'M
GONNA BE SO SURE.

ELLIE

GOOD LUCK WITH THAT.

They smile at each other. Ellie mounts her bike.

ASTER

Find something good in Iowa to
believe in, heathen.

Just a flicker of something unspoken.

Ellie starts to ride off... then *to hell with it*. She drops
her bike, strides back toward Aster... and KISSES HER.

Aster is startled. But starts to kiss back.

Ellie breaks the kiss.

ELLIE

See you in a couple years.

She gets on her bike and rides off.

Aster watches her go, breathless. Starts laughing.

163 EXT. SQUAHAMISH - ROAD OUT OF TOWN - SAME TIME

163

Ellie flies down a stretch of road on her bike, grinning,
free. She lets out a WHOOP.

Behind her, the town fades into the distance.

ON BLACK:

New slide: "[emojis of pineapple, owl, caterpillar with
glasses] - various sources"

Sound of a TRAIN WHISTLE.

164 EXT. SQUAHAMISH TRAIN DEPOT/TRAIN - MORNING

164

The train slows into the station with a LOUD EXHALE.

ENGINEER (O.S.)

We're stopping in... *Squahamish?*

Close on a LARGE RUCKSACK being lifted onto Ellie's back.

Paul hands her a COOLER stuffed with frozen dumplings.

From the ground floor window, a freshened up Edwin waves... then quickly looks away, doing "engineer" things.

PAUL

I'll keep him busy tasting new ketchups.

ELLIE

Nice writeup in the Town Crier.

PAUL

Munsky Sausages is gonna blow up! Might get to Iowa before you do...

ELLIE

Better get going then.

They smile at each other.

It's time to board.

ELLIE (CONT'D)

Here.

She types something, presses send on her phone.

DING. Paul looks down at his. A tiny smile.

PAUL

The caterpillar does look smart.

ELLIE

Too smart to be standing on a platform, crying, like some wussy.

PAUL

I'm not crying!

ELLIE

(mouthing) Wussy... Wussy...

She's on the train.

Paul swallows.

165 EXT.SQUAHAMISH TRAIN DEPOT/INT. TRAIN - PASSENGER CAB - 165
MOMENTS LATER

Ellie sinks into a seat next to the window.

Turns to look at Paul. She mouths one last "wussy."

As the train starts up, a flash of trepidation crosses her face. Paul sees it.

And starts to JOG ALONGSIDE THE TRAIN.

ELLIE

Oh no... don't... no...!

The train gathers speed... and so does Paul, grinning like a maniac.

And now Ellie is laughing. Hard.

ELLIE (CONT'D)

(under her breath) Moron.

The train pulls away, Paul running after it... a DISAPPEARING SPECK Ellie watches until it is gone.

When she turns back, there are tears in her eyes.

The ELDERLY LADY across the aisle smiles.

ELDERLY LADY

Is that your boyfriend?

ELLIE

No...

Then simply:

ELLIE (CONT'D)

He's my friend.

Like it's the best thing in the world.

She knows it. We know it. And as the train hurtles onward...

Somewhere, someone is listening to "If You Leave Me Now."

FADE OUT.

THE END.
